

At-a-glance-program

africaSTEMI Live! by PASCAR

April 24-27, Argyle Grand Hotel, Nairobi, KENYA

Wednesday 24 April

Pre-congress

**Acute Cardiovascular
Emergencies - From
Diagnosis to Management**

Victoria 2 and 3

- Acute Hypotension (Shock)
- Acute Chest Pain (ACS and dissection)
- Acute Arrhythmia (Tachycardia)
- Acute Arrhythmia (Bradycardia)
- Acute Syncope and Presyncope
- Acute Hypertensive Crisis
- Acute Dyspnoea (HF and VTE)

**School of
Intervention**

Diamond (Kifaru and Nyati)

How to - PCI from simple to
increasing complexity

How to - Peripheral Artery
Disease Intervention

How to - Cardiac
Resynchronisation Therapy

**Contrast echo
course**

Victoria 1

Step-by-step contrast echo

Live demo and hands on

Contrast supported
assessment of wall motion
at rest and stress

Contrast echo in LV
thrombus and aneurysm

Myocardial perfusion
contrast

Contrast zebras

Post course assessment

**The STEMI
villages**

VIP Holding

Clinical cases
competition

FACULTY DINNER

Thursday 25 April

Main Day One

AFRICA
STEMI LIVE

Heart of Africa Plenary Program

Victoria 2 and 3

STEMI Live!

Sudden Cardiac Arrest and Shock

European Heart Journal @ STEMI Live!

Heart Failure

The Key Notes - ABC and ACC

Cardiac Device Therapies

The STEMI villages

VIP Holding or Kifaru

African Research Zone and Abstracts Competition

Congress of the Future - How to integrate AI into your clinical practice

The STEMI villages

Nyati

Training village - Contrast echo hands on

How to LBB area pacing

Training village - Contrast echo hands on

Acute Cardiovascular Emergencies - From Diagnosis to Management - Training stations

Victoria 1

ACC station 1 to 4

ACC station 1 to 4

ACC station 1 to 4

ACC station 1 to 4

Satellite symposium - Angina

Friday 26 April	Main Day Two	Heart of Africa Plenary Program	The STEMI villages	The STEMI villages	Acute Cardiovascular Emergencies - From Diagnosis to Management - Training stations
		Victoria 2 and 3	VIP Holding or Kifaru	Nyati	Victoria 1
		CCU ward round Live! From Dar es Salaam and Cape Town			ACC station 1 to 4
		Preventive Cardiology	African Research Zone and Abstracts Competition	Simulator - TAVR	ACC station 1 to 4
		Hypertension - drugs to intervention			ACC station 1 to 4
		Chronic coronary syndromes		Training village - trans-septal puncture	ACC station 1 to 4
		Obesity			ACC station 1 to 4
Weird and wonderful cardiology			ACC station 1 to 4		
Gala event					

Saturday 27 April

Post-congress

Cardiovascular Intervention Africa

Victoria 1

The Heart Clinic

Victoria 2

The Simulators

Diamond (Nyati and Kifaru)

Acute Cardiovascular
Emergencies - From
Diagnosis to
Management -
Training stations

Victoria 3

Spontaneous coronary dissection

Intervention in cardiogenic shock

Live in a box - Left main bifurcation PCI

Ask the experts session

Peripheral Artery Disease

Complications by Kamal Chitkara

Exercise Stress ECG -
arrhythmia

Exercise Stress ECG -
ischemia

Arrhythmic ECG traces by
AFHRA

The correct way to interpret
a Holter monitor

Interpreting ICD tracings in
CAD patients

Optimizing your CRT patient

Simulator Peripheral

Simulator Peripheral

Simulator Peripheral

Simulator Coronary

Simulator Coronary

Simulator Coronary

The complete POCUS
course

The complete POCUS
course

The complete POCUS
course

The complete POCUS
course

The complete POCUS
course

The complete POCUS
course

Meeting close

Faculty sundowner

The Keynotes

- Keynote from ACC President Dr. Hadley Wilson – attending in person
 - Keynote from PASCAR President Prof Elijah Ogola – attending in person
 - Keynote from ESC President-elect; Thomas Luscher – virtual
- Keynote from Prof. George Mensah, Director of the NHLBI Center for Translational Research

Don't miss this....

- More than 50 regional faculty, more than 50 international faculty
 - The First African course on Contrast in Echocardiography
- Fellows-In-Training Seminar - Tapping into cardiovascular training in the USA and Europe (an audience with ACC, CVEF and the ESC President)
 - How to integrate AI into your clinical practice
 - The Heart Clinic session

**AFRICA
STEMI LIVE**
